REPORT

Abacus Club, Department of Computer Applications organized workshop titled "Computer Skills for School Students" from 21/08/2023 to 25/08/2023 in our college premises CA1, CA2 Lab from 10 AM to 12 PM. The Event began with welcome address by S.Ganeshavarthini of III BCA. Dr.R.Merlin Packiam Professor & Head, Department of Computer Applications inaugurated the event. The "Computer Skills for School Students" workshop was a comprehensive five-day program designed to empower school students with essential computer skills. This report summarizes the key highlights, activities, and outcomes of each day of the workshop.

Workshop Activities

Day 1: Introduction to Computer

Ice-breaking session to get to know participants and instructors. Overview of computer hardware components (CPU, monitor, keyboard, mouse, etc.). Introduction to computer software and the operating system. Hands-on practice with keyboard and mouse usage. Desktop navigation and file management exercises.

Day 2: MS Word

Introduction to Microsoft Word. Creating and formatting text documents. Inserting images and tables. Saving, opening, and printing documents. Practical exercises and document creation.

Day 3: MS Excel

Introduction to Microsoft Excel. Creating, formatting, and working with spreadsheets. Basic functions and formulas. Data visualization through charts. Practical exercises and spreadsheet creation.

Day 4: MS PowerPoint

Introduction to Microsoft PowerPoint. Creating presentation slides. Formatting text and graphics. Adding multimedia elements (images, audio, video). Participants create and deliver brief presentations.

Day 5: Multimedia

Explore multimedia creation using various tools. Introduce participants to graphic design concepts. Hands-on activities in multimedia presentations, including adding images, audio, and video. Participants showcase their multimedia projects. Participants showcase and present their multimedia projects.

Workshop Outcomes

Computer Literacy: Participants gained a solid foundation in computer operations and proficiency in Microsoft Office applications (Word, Excel, and PowerPoint)

The "Computer Skills for School Students" workshop successfully achieved its objectives by equipping students with essential computer skills and empowering them to use Microsoft Office applications effectively. The participants' positive engagement and the practical nature of the workshop contributed to its success. The organizers express their gratitude to all participants, instructors, and sponsors for making this workshop possible. Future workshops can build upon these foundations, offering advanced levels and additional topics to further enhance the computer skills of school students.

Outcome of the Event

Comphaven Club, Abacus Club & Innova Club jointly organized an insightful event on "Preparedness for Smart BSc NQT" on December 15, 2023, from 9:00 am in collaboration with TCS Chennai. The session, attended by final year Computer Science stream students, was featured Mr. Bharathwaj Narayanan, a distinguished leader from Tata Consultancy Services Ltd., Chennai.

He shared his valuable insights into growth and transformation within the industry. His expertise as the Growth and Transformation Leader(G&T) added immense value to the session. The event aimed to enhance preparedness for the Smart BSc NQT, providing students with a comprehensive perspective on industry expectations. The engaging session not only enriched participants with industry knowledge but also fostered a deeper understanding of the skills required for success in the evolving landscape of computer science.

Report

Abacus Club, Department of Computer Applications organized the Career guidance Program titled "Decision Making in Goal Setting" on 21.03.2024 was conducted through google meet with the aim of providing participants with practical insights and strategies to effectively set and achieve their career goals through informed decision-making processes. The program commenced with an introduction to the significance of goal setting by Jc.A.Srinidhi Alumna of BCA batch (2016-2019) in personal and professional growth. Attendees from II BCA were presented with various methodologies and frameworks for defining clear and achievable goals. Clarity: Participants gained clarity on their career aspirations and the steps needed to achieve them. Empowerment: Attendees felt empowered to make informed decisions aligned with their goals and values. Motivation: Strategies for overcoming obstacles and staying motivated were discussed, inspiring attendees to persevere in their pursuit of success. The seminar featured interactive sessions where participants engaged in discussions, shared their experiences, and collaborated on practical exercises designed to enhance their decision-making skills and goal-setting abilities.
