**Abacus Club – Department of Computer Applications
Event Report**

The Department of Computer Applications organized a program under the title “**Setbacks to Success: The Real Story of Woman in Startup Journey**” on **23rd July 2025**, from **10:30 AM to 11:30 AM**, at **Dr. Mrs. Rameswari Nallusamy Hall**.

The event commenced with a prayer song. **S. Sandhiya** of **III-BCA** rendered the welcome address. **Dr. Merlin Pakiyam**, Head of the Department of Computer Applications, honored the resource person. **M. Roselin** of **III-BCA** introduced the guest speaker, **Ms. Revathi M (also known as Revy M)**, who holds a **BCA** and an **MBA** in **HR & Marketing**, and is the founder of **Zen Tonez Women Salon / Revyz Makeover**.

The seminar titled “*Setbacks to Success: The Real Story of Woman in Startup Journey*” provided valuable insights into the potential of **women empowerment in startups**. It emphasized the importance of **diverse perspectives, strong leadership skills**, and the **high return on investment** that women bring to the entrepreneurial ecosystem.

Ms. Revathi shared her inspiring journey, highlighting how to initiate a startup by **validating ideas, building a strong team, and entering the IT field**. Her talk was insightful and motivational for aspiring entrepreneurs.

The event successfully brought together individuals committed to promoting **women empowerment in entrepreneurship**. **S. Rajashree** of **III-BCA** delivered the vote of thanks, expressing gratitude to the speaker, faculty, and students for their participation and support.

Event Report**

The Institution's Innovation Council, in collaboration with the Department of Computer Applications, organized a Capacity Building Programme on "**Innovation in Action: Case Studies of Young Indian Entrepreneurs**" at Cauvery College for Women (Autonomous), Trichy – 18, on 30th July 2025.

The session was held at Dr. Mrs. Rameswari Nallusamy Hall, featuring **Dr. Arul Ramanatha Pillai**, Assistant Professor, PG Department of Commerce Computer Applications, St. Joseph's College (Autonomous), Tiruchirappalli – 620002, as the Resource Person. Dr. Arul shared insightful ideas and inspirational real-life case studies centered on the entrepreneurial journeys of young Indian innovators. The session highlighted key strategies, challenges, and breakthroughs that define successful entrepreneurship in today's dynamic landscape. The programme was highly informative and provided valuable perspectives for students aspiring to explore innovation and entrepreneurship. It proved to be both useful and inspiring, leaving participants motivated and equipped with practical knowledge for their future endeavours. Attended by faculty, students, and club members, the session fostered thought-provoking dialogue. The audience gained practical perspectives on innovation and entrepreneurship, and felt inspired to pursue initiatives of their own.

Finally, S. Kokila of III-BCA delivered the vote of thanks, expressing heartfelt appreciation to Dr. Pillai, the faculty members, and all participating students for their presence and support.

Report

Abacus Club – Department of Computer Applications Event Report

The Institution's Innovation Council, in collaboration with the Department of Computer Applications, organized a Capacity Building Programme on “**From Words to Wisdom : Exploring the Core of NLP**” at Cauvery College for Women (Autonomous), Trichy – 18, on 18th September 2025. The session was held at Dr. Mrs. Rameswari Nallusamy Hall, featuring **Dr.S.Padmapriya**, Associate Professor & Head/CSE-IT, Dhanalaksmni Srinivasan University, Trichy, as the Resource Person. Dr. Padmapriya, the event was attended by a diverse group of **faculty members, students, and Abacus Club members**. The participants gained valuable insights from Dr. Padmapriya's talk and actively engaged in the discussions. The session not only enhanced their understanding of NLP but also inspired them to explore entrepreneurship opportunities in the technology sector. *From Words to Wisdom: Exploring the Core of NLP*” proved to be a highly successful and inspiring event. The session equipped attendees with essential knowledge about NLP's impact on innovation and entrepreneurship, leaving them motivated to pursue their own initiatives. The event fostered a collaborative atmosphere that encouraged curiosity, learning, and future ventures in the realm of technology and business. The session went beyond theoretical discussions, offering practical advice and inspiration for those interested in starting their own ventures. The integration of NLP with entrepreneurial thinking was a key takeaway, encouraging participants to explore how technology can help them launch and scale successful businesses.

Title: "Illuminating the Learning Journey: From Bytes to Brilliance"

Date: 15.10.2025

Time: 10.30 AM to 12.30 PM

Venue: Holy Cross Matric Higher Secondary School, Somaresampattai

"Illuminating the Learning Journey: From Bytes to Brilliance" was successfully organized on 15th October 2025 by the Department of Computer Applications, Cauvery College for Women (Autonomous). The primary objective of the programme was to enlighten school students on discovering their passions, understanding diverse career paths, and clarifying the essential skill sets required to thrive in a dynamic and competitive professional environment.

A total of 120 students from Holy Cross Matric Higher Secondary School, Somaresampattai enthusiastically participated in the session. The event was held in the School Peyton Hall, which provided a conducive atmosphere for learning and interaction.

The session offered valuable insights into the Canva tool, specifically on how to create invitations in various formats. Additionally, interactive games were conducted, encouraging students to embrace challenges and engage actively.

As part of the programme, a 'Connection' competition was also conducted, which witnessed active and enthusiastic participation from the students. Their involvement demonstrated a strong sense of curiosity and eagerness to explore various career options.

The event concluded on a positive note, with students providing encouraging feedback. They shared that the session broadened their understanding of career opportunities and enhanced their confidence in exploring new skills and tools.
