REPORT

The Department of Food Service Management and Dietetics organized industrial visit for the II B.Sc., Nutrition and Dietetics. The visit was conducted on March 22, 2023, to Front Line Hospital, where the students had the opportunity to visit the Clinical laboratory and Dietary department. A total of 28 students participated in the visit and they gained valuable insights into the functions of the hospital clinical laboratory and dietary department during the visit. The students were able to observe various laboratory tests being performed and learned about the different diagnostic tools and techniques. In dietary department, the students were introduced to the various stages of food preparations and serving in a hospital setting. The lab technicians and dietitians explained the process and significance of each test and answer the queries of the students. We would like to extend our gratitude to the Front Line Hospital authorities for their cooperations in making the visit a success. We hope to organize more such visit in the future under the memorandum of understanding (MoU) between college and hospital.
