REPORT

The Department of Information Technology organized seminar entitled "Exploring Inventors and Innovators: Unpacking the Difference" for the students conducted on 09-08-2023 at 11.00 a.m -12.00 p.m. in B25.   Ms. T. Vanisha Founder and CEO, VnR matrix, acted as a Resource Person.

The Resource Person gives us introduction about the Inventors and Innovators. She described the difference between Inventors and Innovators. She highlighted that Inventors design something new to the world first where Innovators introduces new ideas with the invention.

She explained both Inventors and Innovators with the real-world example. She illustrated Inventors with Pen and Innovators with Eco-Friendly Pen. She concluded as Inventors are created by doing many researches for many decades where Innovators are created by their creativity and innovative ideas.

REPORT

The Department of Information Technology organized seminar entitled "Brainstorming the Young and Energetic Minds " for the students conducted on 29-09-2023 at 10.00 a.m-12.00 p.m. in B25. Ms. M. Bhuvaneswari, Aptitude Trainer, Trichy acted as a Resource Person.

The Resource person gives us a brief introduction about the steps to solve the Aptitude Questions in various examinations. She explained and inculcated several Mathematical shortcuts, tricks and different ways to solve the problems on aptitude questions.

She opens-up our brain to think and apply various ideas to solve the mathematical problems. She also taught us the concept of time management for solving each question in competitive examinations like CAT, SET, NET, TANCET etc.

She trained us to crack some sample problems on Logical Reasoning, Verbal Ability and so on. This seminar gave awareness about several exams conducted and motivated the final year students to successfully prepare for their Campus Interview with confidence and courage.

REPORT

The Department of Information Technology organized Capacity Building Program entitled "Data Visualization in Python and Tableau" for the students conducted on 09-12-2023 at 10.00 a.m-12.00 p.m. at Dr. Rameswari NalluSwamy Hall. Ms. S.S. Hashini, Risk Analyst, JP Morgan, Market risk middle office acted as a Resource Person.

The Objective of this session is to know about the Data Visualization in Python. The Resource person starts the session with basic introduction about Python. She covered all the basics in python and explained with needed examples. Also, she laid the foundation about Data Visualization used in Python. She has given ideas of the built- in libraries that are used in python to explore data such as Bar Plot, Line plot, Histogram, Scatterplot and etc.

She demonstrated the application of Tableau application that is used to explore the visualized data using Python. She also suggested some websites to practice codes in the platform like Kaggle, GitHub, Leetcode, HackerRank and so on. She insisted students few other websites to practise aptitude questions and to crack the interviews.

REPORT

The Department of Information Technology organized a Virtual Career Guidance program "Navigating the Future: Essential Skills for Success in The Evolving Job Market" for students of Information Technology conducted on 06-03-2024 at 10.00a.m. in B26 and B25.

Ms. S. K. HEMAVARSHINI, ALUMNA (2019-2022), Analyst in Cyber Security, Tata Consultancy Services Limited acted as Resource Person.

She started with her introduction as she is the alumna of this college. She asked, what are the steps taken by the students for attending several Aptitude tests and interviews. She told the students to do extra courses and internship to build their career strong.

She said that there are various departments in IT field so that there are multiple openings in various domains. She also gave some reference of website to learn and practice the quantitative aptitude and to practice the mock interviews.
