REPORT

To create information rich society and to attract the attention of the learners the E-content development is considered as the powerful tool for the education. The Internal Quality Assurance Cell (IQAC) and the PG & Research Department of Computer Science, Department of Computer Applications and Department of Information Technology organized a three days Faculty Development Programme on "*E-Content Development using ICT Tools for MOOCs*" held from 13.06.2022 to 15.06.2022 for all the teaching faculty from various department of the college. Dr.A.Vimal Jerald, Assistant professor, Department of Computer Science, St.Joseph's College acted as a resource person for the three days FDP and he demonstrated about five types of E-content authoring tools. The objective of the FDP on **E-Content Development using ICT Tools for MOOCs** is to create a platform for learning the tools and technologies required for creating digital learning resources and to get trained with these technologies. It also aims to equip the educator with the information and the abilities necessary to meet the need of modern learners and their learning preferences.

Day 1: 13.06.2022

The FDP inaugural function commenced with a prayer song followed by Welcome address delivered by Dr.V.Sinthu Janita Prakash, Dean of Science & IQAC Co-ordinator, Professor & Head PG and Research Department of Computer Science. Dr.V.Sujatha, The Principal, Cauvery College for Women felicitated the gathering. The resource person was introduced by Dr.M.Parveen, Professor & Head, Department of Information Technology. In Day 1 program the resource person imparted the knowledge of fundamentals of E-content and explained the four quadrant Instructional design of MOOCs namely e-Tutorial, e-Content, Assignment, Discussion Forum. He demonstrated how to create a talking head video using ZOOM. He taught the basics of interactive Power Point   presentations relevant to E-content.

Day 2: 14.06.2022

The Day 2 started with a Hands-on Session at CS LAB. He trained and motivated all the participants to make an E-content using ZOOM and Power Point. The participants enthusiastically created their own E-content with a lot of innovations. Then he gave an idea of Screen casting software such as FreeCam and ScreenCast-o-Matic tools. Using these tools the participants designed and developed several E-contents. The resource person assigned a set of

tasks to the participants to create their interactive video lectures and sent it to him for review. The participants enthusiastically tried various methods and presented it for review.
Day 3 : 15.06.2022

Day 3 focuses on creating You Tube Channel, Content Upload and GIF file generation. He introduced Open Broad Caster Software (OBS) for video recording, live streaming and also audio editing software. Best E-content development competition was conducted among the faculty members. Dr.S.Saranya Assistant professor, Department of Chemistry and Dr.M.Neela Associate Professor, Department of Business Administration are selected as a best E-Content Developer and the faculty who have participated in the competition is also recognized with the prizes. Participants showed their gratitude by giving feedback about the programme and concluded with Vote of thanks by Dr.R.Merlin Packiam, Associate Professor and Head Department of Computer Applications. The outcome of the FDP is to provide nuances of various tools and technologies and E-Content development thus attained.

INVITATION

REPORT

In the technological era to meet the industry expectation the student community should fulfil some of the prerequisites. Apart from the academic skills they should get job readiness skills. To inculcate the awareness and to empower the student community the Internal Quality Assurance Cell (IQAC) and the PG & Research Department of Computer Science, Department of Computer Applications, Department of Information Technology and Aspire For Her jointly organized an online orientation session for Google Career Certificate Scholarship Program on 24.06.2022 at 11.00AM to 12.30PM through ZOOM Online Meeting. The objective of the orientation program is bridging the education gap between the academia to industry.

The Principal Dr.V.Sujatha welcomed the chief guest & gatherings. Dr.S.Jayabharathi, Assistant professor, PG & Research Department of Microbiology introduced Ms.Reena Ravi, Chief Operating Office, Ko-Create Consulting, Mentor & Consultant of Aspire For Her. The Resource person Ms.Neeraja Ganesh Mentor & Consultant of Aspire For Her was introduced by Ms.Reena Ravi.

The Chief Guest Mrs. Neeraja Ganesh addressed the II and III year students on the intricacies of Google certification courses, employment and the need for employable skills to uplift them in the IT industry. She gave an overview of what kind of roles available in industry and how to develop additional skills to meet the industry expectation. She also explained about the flexible online training program to gain job-ready skills in high-growth, high-demand career fields such as IT Support, Project Management, Data Analytics and UX Design She closed her address by explaining us how the development of technical abilities could help to bridge the gap between academia and industry. Followed by that Ms.Reena Ravi, announced about the greater employability opportunities under previlleged beneficiaries. She demonstrated how to apply for the scholarship program and what are eligibility criteria to be met. She insisted the eligible candidates to apply for the Google certification scholarship

The session concluded with vote of thanks by Dr.R.Merlin Packiam, Associate Professor & Head, Department of Computer Applications, Cauvery College For Women(Autonomous) Trichy.

REPORT

Technical skills are the specialized knowledge and expertise required to perform specific tasks and use specific tools and programs in real world situations. To empower our technical faculty, PG & Research Department of Computer Science, Department of Computer Applications & Department of Information Technology, Comphaven Club, Abacus Club & Innova Club organized a **"Skill Training Program On Trouble Shooting" on 22.08.2022 at 10.00 am to 12.00 pm in NET LAB**. **Mr. N.Saravana Kumar System Administrator**, Cauvery College for Women (Autonomous) acted as a trainer for this event. He has a rich experience in System maintenance, Network administrator and network maintenance

The resource person gave an idea about 12 basic skill required to solve the system related issues. He has mainly concentrated on the issues such as system slowness, impact of temporary storage files, how to eliminate the temporary files and resolving of CMOS Battery Failure. He taught to solve the IP related issues, CPU Temperature Error, Hard Drive Failure, Display Flickering, SMPS Failure, CPU Power mode problem and RAM Failure.

He concluded the session with the suggestion of what are preventive measures to be followed to manage the system. The technical faculties discussed about various systems related issues with the resource person.

AGENDA

REPORT

Abacus Club, Department of Computer Applications organized International Webinar on Skill Enhancement Programme "Strategies to Build a Successful Career" on 24.09.2022 through Google Meet from 9.30 AM. The Event began with prayer song. R.Lakshiya of III BCA A rendered the welcome address. Dr.R.Merlin Packiam Head & Associate Professor, Department of Computer Applications honoured the Resource Person. S.Saburnisha of II BCA introduced the Resource Person to the audience. Mr. John Nazaren Prakash, Vice President & Senior Technology Manager, Bank of America, Charlotte, North Carolina spoke about 7 Strategies to build a Successful Career. He also added that "Building a successful career takes time, effort, and patience. The students will succeed if they are willing to sacrifice some of their free time and to get out of their comfort zone". V.Vasundarya of III BCA rendered vote of thanks. The Event ends with a National Anthem.

REPORT

The main aim of the extension activity "Techno Camp" (A capacity enrichment programme for School Children) is to maintain social cohesiveness between the college and school community to sensitize students about technical skills. To inculcate the young generation, PG and Research Department of Computer Science, Department of Computer Applications, Department of Information Technology and National Service Scheme organized a TECHNO CAMP a 15 days orientation programme at Dr.RAJAN MUNICIPAL MIDDLE SCHOOL from 27th Feb 2023 to 17th Mar 2023, at 2.00 PM to 3.00 PM. Our department faculty members and students educated the school children about the usage of Microsoft word, Excel and PowerPoint. Nearly 30 hours course is initiated by our faculty and students. PG and Research Department of computer science handled sessions for 42 Students, Department of Computer Applications handled sessions for 35 students and Department of Information Technology handled sessions for 27 students.

Our department faculty members and students provided the hands-on training for each individual participant. The young and energetic students are very much passionate on their learning process while obtaining practical knowledge. After the successful completion of this course the students are proficient in using Windows, Word Processing Applications, Spreadsheet Applications and Presentation Graphics Applications. 114 Students of VI and VII were benefited.

REPORT

The main objective of the career guidance is to guide individuals to choose the right career path, based on their skills. Choosing the right option is crucial for building a satisfying and successful career for the younger generation. To assist the younger generation to take decision about their right career path the PG and Research Department of Computer Science, Department of Computer Applications, Department of Information Technology, Cauvery College Alumnae Association and Career Guidance and Placement Cell organized a Career Guidance Program on March 3rd 2023, at 1:30 PM held in Cauvery Hall.

The program was presided by Dr.V.Sujatha, Principal, Cauvery College for Women (Autonomous), The meeting was co-ordinated by Dr.V.Sinthu Janita Prakash, Professor & Head, Department of Computer Science, Dr.G.Kanaga, Professor & Dean of Alumnae, Dr.M.Parveen, Professor & Head, Department of Information Technology, Dr.R.Merlin Packiam, Professor & Head, Department of Computer Applications, Ms.N.Girubagari, Associate Professor & Head In-charge of Department of Computer Science. The program was conducted with the support of faculty club in-charges Dr.P.Tamilselvi Associate Professor, Department of Information Technology, Ms.V.Infine Sinduja, Assistant Professor, Department of Computer Applications, Ms.N.Agalya, Assistant Professor Department of Computer Science and the student club in-charges.

The core part of the session is "**Chase your Dreams**" which is handled by our Prominent Alumnae from 1993 -1996 Batch **Ms.J.Carmelete** silviya, **HRD Co-ordinator, Human Resource Development Centre, Holy Cross College, Trichy.** The Beneficiaries are the final year students of undergraduate and post graduate of Computer Science, Computer Applications and Information Technology with **261** students. The resource person guided the student to accomplish their dreams by specifying three things: First, to love what they do. Second, to have faith in them, and third, do not pay attention of what society says about you and your dream. Loving what you do or follow would make things easier. She also encouraged the students to learn new skills such as a new language or any certification course as per their interests which will lead to personal and career development. She boosted the confidence level of the student's, by enlightening about her career obstacles. Her counselling give a hope to our students to be financially independent to lead a successful life. The session was very interactive and the students were very attentive.
