Our chemistry club has conducted a programme on 08-09-22. The chief guest was Dr. C. Suryanarayana, DST - inspire Faculty, Department of Chemistry, National Institute of Technology, Tiruchirappalli. He discussed about the topic "Quantum Biology A Reminiscence of Nature".

He then discussed about the spectroscopy and protein structure and its nature and how we can do calculations using different software. And also he discussed about the protein sensor in birds eye. He interacted with the students and made the session wonderful. We wish each & everyone for their bright future.

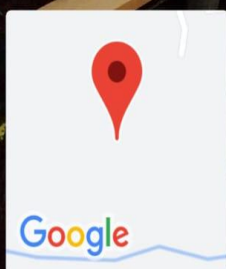

Finally he concluded the session with the proverb,

"You cannot live a positive life with a negative mind"

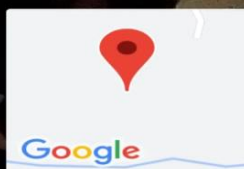

By standing behind these quotes, our club works for the students life.

Our chemstar club has conducted a programme on . 20.09.2022 . The chief guest was Dr. G. Balakrishnan, Assistant professor, Department of Chemistry, IGNOU - co-ordinator, Vivekananda college, Madurai.

He spoke under the topic, capacity building program on career & Entrepreneur opportunities in chemistry.

He talked about, Entrepreneurship and what are the jobs available for chemistry graduates, and he also motivated us to think innovative ideas rather than thinking of hard work and smart work.

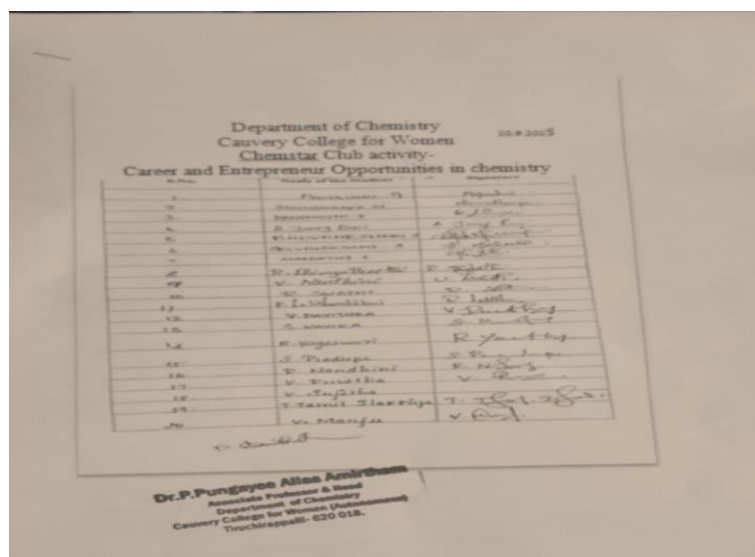

He also encouraged us to take the road that is less taken and choose the jobs wisely and have great paths.

Finally, He concluded the session with the quotes saying,

Do not go where the path
May lead ; Go
instead where there is
No path and Leave
a trail ...
To stick to this quote our club work for
the student's progress.
