Class : III BBA(44 Students)

Staff Coordinator : Dr.Thamarai selvi and Ms.Yalini

Report

An industrial visit was organized to Parle “Happy Happy” Biscuit Factory for III BBA students to provide them with practical exposure to the functioning of the food manufacturing industry. The visit aimed to bridge the gap between theoretical learning and real-world applications by observing the production process of one of India’s most popular biscuit brands — Parle Happy Happy.

Parle Products Pvt. Ltd. is one of India’s leading FMCG companies, founded in 1929. It is best known for iconic brands like Parle-G, KrackJack, Monaco, and Happy Happy. With decades of experience, Parle has built a strong reputation for delivering quality, taste, and affordability.

Parle Happy Happy biscuits are one of the company’s most loved offerings, especially among children. They are chocolate chip cookies known for their crispy texture, rich taste, and attractive packaging.

During the visit, the students were guided through various departments of the factory, where they observed the different processes like raw material section, mixing and dough preparation, moulding and cutting, baking section, cooling and quality testing, packaging section, storage and dispatch of products.

Students understood the complete process of biscuit manufacturing from raw materials to final packaging and learned how large-scale production combines technology and human effort efficiently and also understood how brand image and packaging influence consumer preference.

The industrial visit to the Parle “Happy Happy” Biscuit Factory was an enriching experience for students that provided valuable practical exposure. It helped students understand real-time manufacturing operations, the importance of quality assurance, and how strong brand management contributes to a company’s success. Overall, the visit was educational, informative, and enjoyable.

A One-Day International Seminar on
**Global Business Management
and Social Innovation (DUAL MODE)**
(IS - GBMSI - 2025)

Organised by
Department of Business Administration

26 NOVEMBER 2025

About the Seminar

In the present era of globalization, businesses are navigating an increasingly complex and competitive environment shaped by technological advancements, digital transformation, and evolving societal expectations. The rapid pace of change has redefined how organizations operate, compelling leaders to adopt innovative approaches that balance economic performance with social responsibility.

Global enterprises today are not only expected to deliver profitability but also to contribute to the well-being of communities and the sustainability of the planet. This paradigm shift has emphasized the need for strategic innovation, ethical leadership, and social entrepreneurship—qualities that empower organizations to create long-term value while addressing global challenges such as inequality, environmental impact, and resource scarcity.

Against this backdrop, the seminar on Global Business Management and Social Innovation is designed to bring together experts from academia, industry, and research institutions to exchange ideas, share experiences, and explore emerging trends in global business strategy. It provides an intellectual platform for participants to gain insights into cross-cultural management, future business models, and the integration of innovation with sustainability.

This initiative served as a prelude to thought-provoking discussions on how businesses can adapt, evolve, and lead responsibly in the global marketplace—nurturing future-ready professionals equipped to make a positive difference in the world of business and beyond.

REPORT:

Dr. P. Baskaran addressed the gathering on the theme of career opportunities and future goals. The session aimed to guide students in understanding the various professional paths available to them and to encourage them to set meaningful, achievable goals for their future. He began the session by highlighting the importance of early career planning. He emphasized that identifying individual strengths, interests, and long-term aspirations is essential for choosing a suitable career path. He also encouraged students to stay informed about emerging trends and continuously upgrade their skills. The speaker then elaborated on the scope of various fields, including science, engineering, medicine, arts, commerce, management, and vocational sectors. He explained the potential job roles, industry demands, and future growth prospects associated with each field. By doing so, he enabled students to gain a broader perspective on the diverse opportunities available to them.

One of the notable aspects of the session was its interactive and engaging nature. Dr. Baskaran actively involved the students by encouraging questions, clarifying doubts, and sharing real-life examples. This interactive approach helped students connect deeply with the content and better understand the practical aspects of career planning.

REPORT:

An interactive session on Job Opportunities in the IT Sector was organized to provide students with insights into the vast career prospects available in the information technology industry. The session was delivered by Mr. Prasanna, who shared his knowledge and industry experience in a highly engaging manner.

The program commenced with an introduction emphasizing the rapid growth of the IT sector and its importance in today’s digital era. Mr. Prasanna discussed various career paths in IT, including software development, data analytics, cybersecurity, cloud computing, artificial intelligence, testing, networking, and IT support roles.

During the session, the speaker highlighted the skills required to enter the IT industry, such as programming knowledge, problem-solving abilities, communication skills, and continuous learning. He also explained the importance of internships, certifications, and practical exposure in building a successful IT career.

Mr. Prasanna also spoke about emerging technologies and future job trends, motivating students to stay updated with technological advancements. The interactive nature of the session made the learning experience engaging and effective.

The program concluded with a question-and-answer session, where students clarified their doubts regarding career choices and skill development. Overall, the session was informative, motivating, and beneficial, helping students gain clarity about job opportunities in the IT sector and prepare for their future careers.

REPORT:

An Awareness Program on the Commodities Market was conducted to enhance students' understanding of commodity trading and its importance in the financial system. The session was led by Mr. Arivazhagan, who shared valuable insights drawn from his practical knowledge and experience in the field.

The program began with an introduction highlighting the significance of commodities such as gold, silver, crude oil, agricultural products, and metals in the global economy. Mr. Arivazhagan explained the basic concepts of the commodities market, including what commodities are, how trading takes place, and the difference between commodity markets and stock markets.

During the session, the speaker elaborated on types of commodities, market participants, pricing mechanisms, and the role of demand and supply. He also discussed risk management, hedging, and the importance of commodities as an investment option for diversification. Real-time examples and current market trends were shared, which helped students relate theory to practical market situations.

The program concluded with an interactive question-and-answer session, where students actively participated and clarified their doubts. Overall, the awareness program was highly informative and beneficial, helping students develop a clear understanding of the commodities market and encouraging responsible financial decision-making.

TITLE : One Day Workshop on “Data Analytics in Python”
RESOURCE PERSON : Mr. A. Arun Prasath
DATE : 11.02.2026
TIME : 10 Am
VENUE : Ultra Tech Lab
BENEFICIARIES : 38
MODE : Offline

REPORT:

A workshop on “Data Analytics in Python” was conducted for the BBA students with the objective of introducing them to the fundamentals of data analytics and its practical applications in the field of business and management. The workshop aimed to create awareness among students about the growing importance of data-driven decision-making in modern organizations and how Python plays a vital role in analysing and interpreting business data.

The session began with an introduction to data analytics, where the resource person explained the concept, scope, and significance of data analytics in today’s competitive business environment. Students were briefed on how data analytics helps organizations in understanding customer behaviour, improving operational efficiency, forecasting trends, and making strategic decisions. Real-world business examples were shared to help students relate theoretical concepts to practical situations.

The workshop then focused on Python as a powerful and widely used programming language for data analytics. The trainer explained why Python is preferred for data analysis due to its simplicity, flexibility, and availability of various analytical libraries. Students were introduced to basic Python concepts such as variables, data types, and simple commands, making it easier for beginners with no prior programming background to understand.

The workshop concluded with an interactive discussion on career opportunities in data analytics and how BBA students can benefit from learning analytical tools like Python. The resource person encouraged students to develop analytical skills alongside management knowledge to enhance their employability. Overall, the workshop was informative, engaging, and highly beneficial, as it provided valuable insights into data analytics using Python and its relevance in the business world.

Activity Category: SELF DRIVEN

Theme: ENTREPRENEURSHIP

Expert/Speaker Details:

Name: Ms. Alamellu

Designation: Founder

Organization: Srisha Beauty Parlour, Trichy

Brief about Expert/Speaker:

Ms. Alamellu is the Founder of Srisha Beauty Parlour, Trichy, a customer-focused beauty and wellness enterprise dedicated to providing quality grooming and personal care services. With strong entrepreneurial vision and commitment to excellence, she established the parlour to offer professional beauty treatments tailored to the needs of diverse clients. Under her leadership, Srisha Beauty Parlour has built a reputation for personalized service, hygiene standards, and customer satisfaction. Ms. Alamellu's dedication, creativity, and business acumen have contributed significantly to the growth and success of the organization in the competitive beauty and wellness industry.

Outcome of the activity:

The journey from idea to enterprise represents a transformative process that shapes tomorrow's entrepreneurs by converting creative concepts into sustainable business ventures. It begins with identifying a problem or opportunity in the market, followed by innovative thinking, research, planning, and strategic execution. Aspiring entrepreneurs must develop essential skills such as critical thinking, risk management, financial planning, leadership, and adaptability to navigate competitive business environments. Support systems including mentorship, incubation centers, funding opportunities, and digital platforms play a crucial role in guiding individuals through product development, market validation, and business expansion. Emphasizing resilience, continuous learning, and customer-centric approaches ensures long-term sustainability and growth. Ultimately, shaping tomorrow's entrepreneurs requires nurturing creativity,

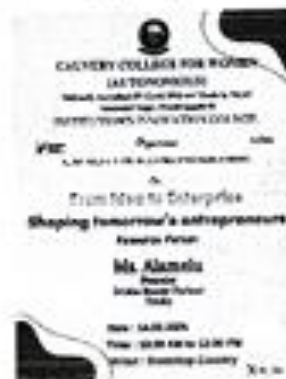

confidence, and practical business knowledge to transform ideas into impactful enterprises that contribute to economic and social development.
