JOIN US TO CELEBRATE THE JOY OF
EQUALITY AND PATRIOTISM

REPORT:

Like every year, this year also, our department celebrated Independence Day on 11 August 2022 with great joy and pomp. On that day the sense of happiness and pride could be clearly seen on the faces of all the people as India was celebrating its 75th Independence Day on 11th August 2022.

The program started at 10:30 am. We all dressed traditional. Freedom fighters inspired and motivated others to fight injustice. Every one explain about freedom fighters and how we got independent. We gained lots of information about freedom fighters and how they worked for our nation. How they struggle to get freedom.

We want to thank our department of business administration for giving golden opportunity.

OUR EMINENT SPEAKERS

About the Conference

ICLBF 2022 focuses on both theory and applications in the broad areas of applied sciences and humanities. ICLBF is a multi disciplinary conference organized with the objective of bringing together academicians, scientists, researchers from industry, research scholars, and students working in all areas of applied sciences and humanities. The conference will provide the authors and listeners with opportunities for national and international collaboration and networking among universities and institutions from India and abroad for promoting research and developing technologies. The aim of this conference is to promote translation of basic Scientific research into applied investigation and convert applied investigation into practice. This conference will also create awareness about the importance of basic Scientific research in different fields matching with the current trends. About the Seminar

India is commemorating its 75 years of independence under the theme of Azadi Ka Amrit Mahotsav, with the goal of achieving 100 percent literacy in the country. It is important to consider the vision and goals that were set for independent India. The objective is for equality in the country, it can be achieved through Education. Hence, India's Present Educational System to be improved. India's first Education Policy was passed and implemented in 1986. After thirty-four years, the National Educational Policy (NEP) for India has been updated, revised and approved on 29 July 2020. The policy signifies a huge milestone for India's Education system, which will certainly make India an attractive destination for higher education world-wide. The policy is based on the pillars of "Access, Equity, Quality, Affordability, Accountability" and will transform India into a vibrant knowledge hub.

Objectives of NEP

- To develop the understanding and awareness about National Policy 2020.
- To analyze the impact of National Educational Policy 2020 on Higher Education.
- To identify the challenges of implementation of National Educational Policy 2020.
- To bring together the students, scholars, academicians, industrialists and instill them the knowledge about the National Educational Policy.
- To suggest the Policy Makers and the society for the successful implementation of National Educational Policy.
