1. Preamble

- a) **PG and Research Department of Commerce and Department of Business Administration, Cauvery College for Women (Autonomous)** and Binary University, Malaysia, wishing to enter into and formally establish this "Memorandum of Understanding" (hereinafter referred to as MOU).
- b) The purpose of this MOU is to promote and expand international understanding, development, and friendship as well as stimulate and support academic pursuits among the students and faculty of the two institutions namely **Cauvery College for Women (Autonomous)**, and Binary University (hereinafter referred to as CCW and Binary respectively). Identified general areas of mutual interest may include but not limited to the following:
 - Student exchange programs;
 - Faculty exchange programs;
 - Collaboration of academic programs
 - Joint research projects;
 - Publications and Conferences
 - short-term training, workshops and seminars.
- c) Both institutions agree that the language of instruction is English.
- d) The term "host" institution refers to the Institute/University the student or faculty member plans to visit. The term "home" institution refers to the Institute/University where a student is studying or, in the case of faculty members, the university where the faculty member is regularly employed.
- e) Both institutions understand that this MOU is not exclusive.

2. Terms of the MOU

The term of this MOU shall be five years (**2023 - 2028**) from the date of signing. The MOU may be renewed for additional periods by written agreement of the institutions, prior to the end of the initial five-year term (or any subsequent extension of the MOU). During the initial five-year term (and subsequent extensions, if any), the parties shall consult at least annually to discuss the program, any problems that have arisen, and opportunities for improvement. Either party may terminate this MOU at any time (during the initial five-year period or any extension period) by giving six months advance written notice.

3. Contact Person

Both the institutions will designate a contact person assigned with the responsibility of coordinating MOU activities in general terms. The contact person for CCW is Dr.V.Sujatha, Principal whereas for Binary the contact person will be Mr Gilbert Alvin , Senior Director of International Cooloboration . Binary University's Regional Office for South India is S.E.V Edusmart International. For any business related matters they can be contacted at sev.edusmart@gmail.com.

4. Scope of Co-operation

While a wide range of activities, in the academic field is identified within the MOU, any specific program will be addressed under separate written agreements (MOA) between the two institutions which will serve as appendixes to this master MOU. Below are the 3 specific areas of co-operation that will be implemented in Phase 1.

4.1 Student Exchange

- a) Participation in the student exchange programs is meant for advanced skilling, training and gaining advance knowledge and does not constitute admission into any academic degree program or lead to the award of any academic degree at the host institution, unless otherwise permitted under the various rules and regulations governing such participation in both the countries.
- b) Exchange students will pay the host institution a discounted fee for the specialized skilling, training and knowledge enhancement programs
- c) The acceptance of exchange is conditional on obtaining the necessary immigration and travel clearance from respective government authorities in the host country and the host institution will endeavor to assist in obtaining proper documents and will guide each student through the respective immigration and visa procedures. However, immigration matters are the responsibility of the exchange student.

4.2 Faculty/Staff Exchange

- a) The faculty/staff of an institution under the terms of the MOU may participate in a variety of activities at the host institution. Such activities may include faculty exchange for instructional and/or research activities for short term or extended periods of time; conducting conferences, seminars, workshops,

training programs and/or lecture series; providing professional expertise as consultants on special projects within the institutions.

- b) Unless specifically agreed, each faculty will bear the cost of participation that will be charged by the host university.

4.3 Joint Research and Development

Binary and CCW agree to conduct joint research, hold conferences, seminar and workshops to promote academic and research excellence for both institutions.

This MOU will be subject to compliance with all governing rules and regulations in the respective countries.

IN WITNESS THEREOF, the parties representing the two institutions have offered their signatures below:
