The Anti-Ragging Committee meeting was held on 11.06.2020 at 10.00 AM. Principal, the chairman of the meeting enquired about the prevailing issues among the students. The student ambassadors expressed that there are no issues among students. It is suggested that the suggestion and grievance boxes had to be opened every Friday and the recorded grievances had to be filed properly and separately. In this COVID-19 pandemic situation the UGC recommends to make use of digital technology for the betterment of students. So, from the upcoming academic year onwards the use of mobile phones and laptops will be permitted to use in the classrooms. To make it feasible each classroom has to provide with maximum number of charging portals. The student ambassadors can collect feedback from the students regarding the online classes. The students should ensure that they visit college website regularly for the updates. The chairman of the committee directed the staff ambassadors to organize another awareness programme for the benefit of students.

No ragging cases has been recorded in the college campus for this year
