CAUVERY COLLEGE FOR WOMEN AUTONOMOUS, TRICHY

SMART INDIA HACKATHON – 2023

About the event:

Institution Innovation Council of Cauvery College for Women Autonomous has organized Smart India Hackathon 2023 in Rameswari Nallusamy Hall on 23rd September 2023 at 9.15 am. The Programme is initiated with an aim to give the students a stage to address some of the critical issues that we face on a daily basis and to inculcate a culture of product innovation and a mindset of problem-solving.

The programme started with the prayer song followed by felicitation by Dr. V. Sujatha, IIC President and Principal. Madam in her talk encouraged the programmers and designers of innovative ideas to come together to build a prototype using software. Dr. Subha, IIC Convenor introduced the students and briefed the event like how the ideas has to presented and the important parameters to be noted by the moderators.

Nearly 111 ideas were submitted for presentation. These ideas were gradually collected from the periodical Ideation Contest conducted internally every month from January till September. All the ideas were converted to prototypes through proper members in collaboration with Incubators and Startup Founders. IIC Convenor along with the IIC Ambassadors conduct Ideation Contest every month for all the students. Internal examiners have selected the best ideas presented and finalized a list for Smart India Hackathon 2023.

More than 100 ideas were presented through PPT to the moderators. A panel of five moderators adjudged the presenters. Students came up with ideas from various fields from food to technology. The ideas were patently listed by the moderators and appropriate feedback/ suggestion was given to each. The panel members are Dr. R. Subha, IIC Convener, Dr. S. Vidhya, IIC Ambassador, Department of Mathematics, Dr. S. Gowri, IIC Ambassador, Department of Physics, Dr. T. Noorunnisha, IIC Ambassador, Department of Physics and MS. R. Rita Jenifer, IIC Ambassador, Department of Computer Science.

The Panel Members selected the best 35 ideas and has finalized to upload these ideas in their respective website. The participants and their ideas were appreciated and suggested with better ideas to improvise the present ideas. The programme ended with the formal Vote of Thanks.

About the problem Statement:

1. Med tech, biotech, healthcare
2. Agriculture, Food technology and rural development
3. Transportation and logistics
4. Smart vehicles
5. Robotics and drones
6. Block chain and cyber security
7. Smart automation
8. Fitness and sports

Judging Process

Judging was done on certain parameters by the panel. Each team were scored out of 25

The parameters are as follows:

- Feasibility and novelty of the idea
- Possibility of implementation of the idea
- Segmentation of customers for their usage.
- Sustainability of the idea in market
- TRL of the identified idea.
