**REPORT ON HANDS ON TRAINING ON CHARACTERIZATION
TOOLS AND TECHNIQUES IN SCIENCE**

Institution Innovation Council of our college jointly with Research committee, organized Capacity building programme on Hands on training on Characterization tools and Techniques in science from 13.02.2023 to 17.03.2023 in person for students from various colleges. The programme was inaugurated by Dr.V.Sujatha, IIC President, Cauvery College for women and welcomed the gathering by highlighting the importance of basic science in different disciplines. 47 Students from EVR college, Kongunadu college of Engineering, SASTRA univeristy., Government arts and science college participated in the training program. Day 1, the participants were trained with theoretical knowledge on instrumentation of chemical analysis followed training on sonicators, thermostat, hot air oven, homogenizer and autoclave with their applications. Later the principles, instrumentation and working of UV visible spectroscopy with various samples have been practiced by the participants.

In Day 2, the techniques involved in human nutrition and food analysis were elaborated with case studies. Next, training on Lactometer, pH meter, air fryer and microscope for materials prepared from different sources and water samples. The participants were given training to test their BP, glucose value and calories with the help of BP apparatus, Glucometer and Calorimeter. Day 3, training on FTIR analysis and KBR pellet preparation was taught by Ms.Arthi, Department of Physics. Participants were given opportunity to do individually the KBR pellet. Later, the principles of spin coating and dip coating using thin film technology was discussed, followed by training on the above units were given with various samples.

In Day 4, Department of Microbiology enhanced the importance of phytochemical studies of given sample. The flavonoid, alkaloids, steroids of any material was discussed and practised with various samples. The chromatographic techniques including paper, thin film methodology and its applications were trained with various samples. In day 5, basic

Title of the collaborative activity	Industrial Visit under MOU
Name of the collaborating agency	Frontline Hospital and Research Institute
Name of the participant (student)	II B. Sc., Nutrition and Dietetics (28 Students)

The Under Graduate students of Department of Food Service Management and Dietetics had undergone the Industrial Visit to Front Line Hospital on 22.03.2023, where the students had the opportunity to visit the Clinical laboratory and Dietary department. A total of 28 students participated in the visit and they gained valuable insights into the functions of the hospital clinical laboratory and dietary department during the visit. The students were able to observe various laboratory tests being performed and learned about the different diagnostic tools and techniques. In dietary department, the students were introduced to the various stages of food preparations and serving in a hospital setting. The lab technicians and dietitians explained the process and significance of each test and answer the queries of the students. We would like to extend our gratitude to the Front-Line Hospital authorities for their cooperations in making the visit a success. We hope to organize more such visit in the future under the memorandum of understanding (MoU) between college and hospital.

REPORT ON PROCESS OF INNOVATION DEVELOPMENT AND
TECHNOLOGY READINESS LEVEL FOR TECHNOLOGY
TRANSFER

Institution Innovation Council of our college Organized Capacity building programme on Process of Innovation Development and Technology Readiness level for technology transfer on 19.01.2023 from 10.00 am to 12.00 pm through in person mode. Dr.R.Subha, IIC Member, Cauvery College for women welcomed the gathering by enlightening the importance of innovation development to develop startup among the students. Mr.Mohammed Ithyas, founder Robotan Robotics, Trichy enriched the students knowledge towards innovation in interdisciplinary approach. The students were taught about the tools to evaluate their projects in different TRL levels. The students were created awareness and imparted the importance of readiness level in prototyping their products. 79 students of our Institution participated in person session for gaining knowledge in building innovative ecosystem.

REPORT ON BOOTCAMP ON ROBOTICS

Institution Innovation Council of our college jointly with Robotian Robotics organized Capacity building programme Boot camp on Robotics on 01.03.2023 & 02.03.2023 from 10.00 am to 3.00 pm for students from various colleges. Dr.V.Sujatha, IIC President, Cauvery College for women welcomed the gathering by highlighting the importance of innovation and startup in field of Robotics. 13 teams from colleges like Kongu engineering college, EVR government arts and science college, National college participated in boot camp along with 38 students from Department of Computer science, IT and Computer applications. The session was chaired by Mr.Mohammed Ithyoos, Founder of Robotian Robotics, Trichy shared the significance of startups in the fields of IOT, AI and Robotics in upcoming years. The camp consist of three rounds on development of business model canvas for ideas generated in the camp. The students interacted with the resource person and got suggestions in improving their protocols and funding assistance. Students of our Institution participated for gaining knowledge in building innovative ecosystem, the best ideas were recognized with Innovator, Marketer and ideator and the session ended with vote of thanks.

REPORT ON INTERNATIONAL CONFERENCE ON NEW IDEAS IN
INNOVATION AND TECHNOLOGY

Institution Innovation Council of our college jointly with CSIR- Institute of Material and Mineral Technology organized Two days Virtual International conference on "New Ideas in Technology and Innovation on 30.01.2023 and 31.01.2023 from 9.30 am to 4.00 pm. Dr.V.Sujatha, IIC President/Principal welcomed the gathering by enhancing the importance of technological innovation in development of science. The conference was executed with four lecture session and 33 oral paper presentation for two days. First Session was initiated by Dr.T. Pavan Kumar, Senior Scientist-Chemistry IP Convener, Manager-Innovation & Technology, CSIR- Institute of Minerals and Material Technology (IMMT) Sachivalya Marg, Bhubaneswar, initiated the session with Technology and Innovations –An endless spiral from 10.00 am TO 11.30 am. The necessity of innovation in development of science and technology was explored in efficient manner.

The session was followed by paper presentation from various states in different disciplines of science. The presentation forum was judged by Dr.P.Sivakumar, Chief executive officer, Ariviya Technologies, A Start Up firm, Pattukottai. The presenters justified their research work and replied to the queries. Dr.Ashok Kuma Jangid, Post doctoral Fellow, Department of Chemical and biochemical Engineering, College of Engineering, dongguk university, Seoul, South Korea Dr.Ganeshkumar Mani, Research Professor, Department of Physics, Korean Advanced Institute of Science and technology, Korea chaired the second session entitled on "Innovations in Nano science " from 2.00 pm to 3.30 pm. The participants were benefited with advantages of innovation in medicinal field and health care.

Day 2- Mr.Vinoth Kumar, Chief Solutions Architect, Push Payment Processing, AWS/Azure Certified Solution, Architecture Professional, Dublin, California, United States, entitled on "Innovation in cloud computing" from 9.30 am to 11.00 am. The tools behind the modelling of graph manually was explained in descriptive manner. The participants clarified the difference between the modelling using software and manual. The session was proceeded with oral paper presentation from 11.10 am to 1.00 pm. The presenters were evaluated by Er.N.Rahul, Innovation Ambassador, Silver Link foundations, Atesh Labs. Fourth session of

Dr.C.J.Sankaran, Senior Scientist, CSIR- IMMT, Bhubaneswar, entitled on Innovations in micro plasma Devices for technological Applications from 2.00 pm to 3.30 pm. The necessity of innovation in development of science and technology was explored in efficient manner. The Valedictory address of the Two days International Conference was resided by Dr.N.Prasanna, Director I/C,BECH-RUSA 2.0, Associate Professor, Department of Economics, Bharathidasan University, Tiruchirappalli,from 3.30 pm to 4.00 pm. He emphasised the identification of problems is an essential element for Innovation. To bring out innovative practices, continuous monitoring, proper mentoring, business module planning and the need for commercialization has been shared. 25 student teams were benefitted in presenting their paper related to the topic. Vote of thanks was delivered by Dr.Subha, IIC Coordinator.
