Title: Know Your Blood Group
Date: 08.08.2025
Beneficiaries: 41

The Blood Donors Club organized a "Know Your Blood Group" program for students on 08.08.2025 PG Microbiology Laboratory, Cauvery College for Women (Autonomous), Trichy. The main objective of the program was to create awareness about the importance of knowing one's blood group and to encourage voluntary blood donation. Students participated enthusiastically in the program. Around 41 students took part and the program was informative and beneficial. It helped students understand their social responsibility and motivated them to become future blood donors.

Title: Awareness Talk on "Donate Blood & save Life"

Date: 21.11.2025

Beneficiaries: 70

An awareness talk on "Donate Blood & Save Life" was conducted on 21.11.2025 for the students with the objective of promoting awareness about the importance of voluntary blood donation. The session covered key aspects such as the significance of blood donation, eligibility criteria, common myths and facts, and the life-saving impact of a single unit of blood. Students actively participated in the session and clarified their queries regarding the donation process and safety measures. The program effectively encouraged students to consider becoming voluntary blood donors. A total of 70 students benefited from the awareness talk. The program was informative and successful in promoting the noble cause of blood donation.

Name of the Activity: All-INDIA BLOOD DONATION CAMP 2025

Collaborators: Rotaract District Organization, R.I.Dist.3000

Date	10.12.2025
Venue	O P Ramasamy Reddiar Auditorium
Beneficiaries	75

The All-India Blood Donation Camp 2025, organized by the **Rotaract Club and Blood Donor's Club of Cauvery College** in association with **Uyirthuli Blood Bank & Research Center and Parivarthan (HDFC Bank Initiative)** and of Cauvery College was a noble initiative aimed at saving lives through voluntary blood donation. Conducted at O P Ramasamy Reddiar Auditorium, the camp brought together generous donors who contributed to addressing the constant demand for safe blood. This event highlighted the spirit of humanity and social responsibility, encouraging individuals to become lifesavers and support the healthcare system through a simple yet powerful act.

Title: Fit for Life: Body Mass Index Check

Date: 20.01.2026

Beneficiaries: 75

The program titled "Fit for Life: Body Mass Index Check" was conducted on 20.01. 2026 to promote health awareness among students. The session focused on measuring students' height and weight to calculate their BMI and educating them about its significance in maintaining overall health. Students were informed about BMI categories and the importance of balanced nutrition and regular exercise. A total of 75 students benefited from the program. The initiative successfully encouraged awareness about healthy lifestyle practices.

Title: Microscopic Observation of Blood Cells
Date: 21.01.2026
Beneficiaries: 64

A program titled "Microscopic Observation of Blood Cells" was conducted on 21.01.2026 for students. The session aimed to provide practical knowledge about the structure and types of blood cells through microscopic examination. Students observed red blood cells, white blood cells, and platelets under the microscope and learned about their functions and importance in maintaining health. The activity enhanced their understanding of blood composition and its role in the human body. A total of 64 students benefited from the program. The session was informative and contributed to strengthening students' scientific knowledge and awareness.
