Annexure II

Report on student feedback

The feedback from students about the faculty on various parameters like punctuality, class control, clarity of expression and competency on teaching, student motivation, academic help, syllabus coverage, career guidance and counselling were collected and analysed. The analysis shows that about 98% of the staff members were given higher grades by the students and remaining 2% of the staff members who needed guidance and counselling on certain aspects were counselled by the Principal.

The students were also asked to analyse about the library infrastructure/ Campus facilities available and curriculum, which also portrayed a positive feedback.
