ANNUAL REPORT 2025–2026

Esteemed Chief Guest **Dr. Bharathi Krishnakumar**, Author and Filmmaker, Chennai, Distinguished Members of the Reddy Educational Trust, Members of the College Governing Council, Hostel Committee and School Council, Special Invitees, Members of the Teaching and Non-teaching faculty, Respected Parents, Friends from the Press and Media, and my beloved students,

Education in general, and higher education supported by research activities in particular, play a vital role in national development. Quality and Excellence remain the vision of our institution and are reflected in our best practices.

Our institution strives to provide services and programmes that enhance the quality of students' life, meet their academic needs, and support them in achieving success in their learning journey.

Higher education occupies a significant place in shaping the social, political, and economic transformation of any nation. In recent times, the demand for higher education has increased quickly, bringing with it challenges such as maintaining quality, ensuring sustainability, and meeting global standards.

Cauvery College for Women, established in 1984 and run by the Reddy Educational Trust, is one of the premier self-financing women's colleges in Tamil Nadu and was granted Autonomous Status by UGC on 14 March 2019. It has been ranked in the 151–200 band in NIRF and has received a 4-Star rating from the Institution's Innovation Council (IIC) of the Ministry of Education for four consecutive years. Recognized by UGC as a Mentor Institution and accredited with A⁺ Grade in the IV Cycle by NAAC, the college continues its mission of promoting academic excellence, employability, and self-reliance, thereby empowering women through quality higher education.

I am pleased to present the College Day Report for the academic year 2025–2026.

The college reopened on 16 June 2025. At present, the institution offers 19 Undergraduate Programmes, 11 Postgraduate Programmes, and 9 Research programmes, with a student strength of 3,257. The academic community is supported by 170 teaching faculty members, including 126 Ph.D. holders and 74 NET/SET qualified staff, along with 165 non-teaching staff members.

Our focus is on developing the overall personality of our students. Through the Institution's Innovation Council, we encourage innovation and entrepreneurial skills, enabling students to establish campus companies and become incubatees of our Incubation Centre.

Cauvery College for Women (Autonomous) received a sanction order of ₹7,50,000 from the Government of Tamil Nadu for establishing a Pre-Incubation Centre at the TN Global Startup Summit, held on 10 October 2025 at Codissia Complex, Coimbatore. Subsequently, on 23 January 2026, the college established a Government-recognized Section 8 non-profit organization under the Ministry of Corporate Affairs, named "Cauvery Innovation and Incubation Forum." through the PIC scheme.

At Graduation Day 2025, Scholastic Awards were presented to two outstanding students for their performance in the April 2025 Examinations. Toppers from different streams were honoured for their remarkable academic achievements. Pavithra S of B.A. Tamil secured a CGPA of 9.57 and received the Purusothama Reddiar Prize for the Arts Stream. Kanaga Subiksha R of B.Sc. Mathematics achieved a CGPA of 9.84 and was awarded the Shanthi Vijayaraghavan Prize for the Science Stream. These awards acknowledge the students' dedication, perseverance, and academic excellence.

I sincerely appreciate the dedicated efforts of our teaching and non-teaching staff for their hard work, commitment, and coordination in helping the institution meet future challenges.

The college has also signed eleven Memoranda of Understanding (MoUs) with various professional bodies and industries to enhance academic collaboration and support.

HOSTEL

We provide a safe and comfortable stay for staff and students in the hostel. We have 580 students, 2 teaching faculty, 59 non-teaching and 8 school students in our hostel.

I appreciate the students who are involved in various committees and a team of faculty in-charges, house-keepers and other supporting staff members for their involvement and dedicated service.

To ensure comprehensive health care of students, two doctors Dr. Lakshmi Prabha and Dr. Mahalakshmi take care of the health issues of our students.

The Hostel Committee takes a proactive approach in meeting the graving intrastromal needs of the hostel to ensure comfort and covariance.

Rs.5,00,000/- has been spent towards the installation of Oven, Mixture, and slicer for making bread and snacks.

Need-based infrastructural augmentation is well taken care of by the Management.

Our hostel inmates are the real assets of our institution, and they are being provided with all the amenities.
